

STANDING SENTENCES

Directions for Creating Cards:

- A. Place one word on each card, with the capitalized word on the front and the lowercase word on the back.
- B. Print the words on card stock large enough to read easily from the back of the room.
- C. Print punctuation marks on cards in a different color for the lesson extension. (Use these cards once the sentence is fully assembled and students wish to edit it.)
- D. Laminate the cards and clip them together for long-term use.
